

Application Instructions

These application instructions can be found online at <https://upstreamprevention.org/about/upstream-team>, but applicants should email their application packet and information to financial@upstreamprevention.org, with the following items attached, **depending on the position(s) applying for**, with the position title in the subject line.

For the RISE Peer Recovery Coach applications, application emails should include:

- Subject: RISE Peer Recovery Coach Position
- A resume or curriculum vita
- A brief introduction/cover letter – this may be an attachment, or directly within the body of the email that is submitting your information for consideration. **This position does require an individual to identify as someone in recovery**, and does have a slight preference of hiring someone in recovery from a substance use disorder. While the applicant **does not** need to currently have the Certified Peer Recovery Coach (CPRC) credential, they must be able to obtain it within 60-90 days of hire, meaning they will need to meet the one year of self-attested recovery at that time.
- Writing Sample – please provide your response to **one** of the following questions. **We are not looking for “right” answers, just your opinion and ability to articulate and support it.** Upstream values hiring and supporting individuals with lived experience, and values individuals for authentically being themselves. This is an opportunity to showcase that, and shouldn't be longer than a single typed page:
 - How would YOU define harm reduction (within the substance use field) and what do you think it could look like in Johnson County?
 - What do you think is the biggest barrier to overcoming stigma related to behavioral health (specifically related to individuals with substance use disorders, suicidal ideation, deaths by suicide, mental health challenges, etc.) in Johnson County?
